11.2 Tournament Committee will decide the draw and starting time for the first two rounds. The draw for the final round will be arranged according to the 2 rounds scores; the lowest scores will tee off last from the first tee and the highest scores will tee off last from the tenth tee.

11.3 The draws and starting times shall be posted at the Tournament Notice Board. Such posting shall be considered sufficient enough notice for information and distribution.

11.4 The player shall start at the time laid down by the Tournament Committee. In the absence of circumstances which warrant waiving the penalty of disqualification as provided in Rule 33-7, if a player arrives at his starting point ready to play within five minutes after his starting time, the penalty for failure to start on time shall be two strokes at the first hole instead of disqualification. Penalty for lateness beyond five minutes is **DISQUALIFICATION**.

11.5 The Committee reserves the right to change the draws and vary the starting times without giving any reason thereof.

12. PACE OF PLAY

12.1 Time Allowed:

Each hole has been given a maximum completion time based upon the length and difficulty of the hole. The maximum time allotted for the completion of 18 holes will be available prior to play.

Definition of Out of Position:

The first group and any group after a starter's gap will be considered to be "out of position" if at any time during the round, the group's cumulative time exceeds the time allowed for the number of holes played. Any following group will be considered 'out of position' if it is more than the starting time interval behind the group in front and has exceeded the time allowed for the number of holes played.

12.2 Procedure When Group is Out of Position

12.2.1 If the decision is taken to time the group, each player in the group will be subject to individual timing by a Rules Official. Each player in the group will be advised that they are "out of position" and are being timed.

12.2.2 The maximum time allocated per shot is 40 seconds. 10 extra seconds are allowed for the first player to play:

- On the tee box;
- On the subsequent shots; and
- On the putting green.

The timing will start when a player has reached his ball, it is his turn to play and he is able to play without interference or distraction.

On the putting green, timing will start when the player has had a reasonable amount of time to lift, clean and replace his ball, repair ball marks and move loose impediments on his line of putt. Time spent looking at the line from beyond the hole and/or behind the ball will count as time taken for the next stroke.

12.2.3 Timing ceases when a group is either back in position in relation to the preceding group or within the allocated time for the holes played.

PENALTY OF BREACH OF CONDITION:

1 bad time	Player will be warned by the Rules Official and told that if he has a further bad time he will be penalized. <u>Stroke Play</u>
2 bad times	Penalty of one stroke
3 bad times	Further penalty of two strokes
4 bad times	Disqualification

12.3 Procedure When Again Out of Position During the Same Round

If a group is "out of position" more than once during a round the above procedure will apply on each occasion. Bad times and the application of penalties in the same round will be carried forward until the round is completed. A player will not be penalized if he has a second bad time before being advised of his earlier bad time.

13. AUTHORIZED / UNAUTHORIZED TRANSPORTATION

Competitors are **allowed** to use buggies for the duration of play. Buggies are allowed on course unless wet condition rendered the course inaccessible to buggies. Caddies are **not allowed** for the duration of the Championship
